Gentlemen:

Approval is hereby requested for the use of County highway Right-of-Way for the accommodation of electric (overhead) (underground) line. The installation shall consist of:

located in the following townships and sections described as follows:

Agreements: The applicant agrees that the following stipulations shall govern under this permit:

1. The applicant shall be permitted to install in the County Highway Right-of-Way an (overhead) (underground) electric line and terminal facilities.
2. The installation shall meet the requirements of local municipal, county, state, and federal laws, franchise rules and regulations, regulations and rules of the Iowa Commerce Commission, Utilities Division, and any other laws or regulations applicable.
3. The Easement herein granted shall be perpetual unless the parties otherwise mutually agree in writing.
4. This Easement shall give the right to the applicant to install, maintain and replace said line from time to time as might be required in connection with the operation of the electric distribution system of the applicant.
5. The County and the Board of Supervisors assume no responsibility for damages to the applicant's property occasioned by any construction or maintenance operations on said highway, including new or additional right-of-way acquired in connection therewith, subsequent to the building of the said line.

6. The applicant shall take all reasonable precautions during the construction of said line to protect and safeguard the lines and property of the traveling public, and adjacent property owners and shall save the County and the Board of Supervisors harmless of any damages or losses that may be sustained by the traveling public or adjacent property owners on account of such construction.
7. The applicant shall hold the County and Board of Supervisors harmless from any damages that may result to said highway due to the construction or maintenance of said line, and shall reimburse the County or Board of Supervisors for any expenditure that the County or Board of Supervisors may have to make on said highway on account of said applicants line having been constructed thereon.
8. This application is subject to all the rules and regulations of the Board of Supervisors and to revocation by the Board of Supervisors at any time when in the judgment of the Board of Supervisors it is necessary in the improvement or maintenance of the highway.
